Drawing Challenge #2

Draw 3 feathers on one page: one with (1) a stick of charcoal; (2) a pencil; and (3) a black marker.

Drawing Challenge #3

Do a continuous line drawing of an animal skull with a black crayon.

Drawing Challenge #4

Make a “light touch” drawing of an animal skull (by holding the pencil at the opposite tip).

Drawing Challenge #5

Draw what a feather feels like.

Drawing Challenge #6

Draw someone drawing something, with a continuous line.

Drawing Challenge #7

Draw a self portrait (using a mirror) with your non-dominant hand.

Drawing Challenge #8

Choose a hat to wear. With a black crayon, draw yourself wearing the hat using one continuous line. Your drawing should fill the page.

Drawing Challenge #9

Use a black thin-line marker to draw a spinning top with a continuous line.

Drawing Challenge #10

Draw a doll's face with a black crayon.

Drawing Challenge #11

How many seashells can you draw on one page?
(Use a pencil and add texture to your shells by smudging and erasing lines.)

Drawing Challenge #12

Using a viewfinder or magnifying glass, draw a close-up view of a seashell that fills the page with your choice of media.

Drawing Challenge #13

Draw the bird's nest, using a charcoal stick or graphite stick. Your drawing should fill the page.

Drawing Challenge #14

Do a "light touch" drawing of a friend wearing a hat with a graphite stick (by holding the stick at the opposite tip.)

Drawing Challenge #15

Do a blind contour drawing of yourself wearing a hat using a pencil, mirror, and drawing shield.

Drawing Challenge #16

Choose 3 objects from the “box of random things” and arrange them on a white page. Using two different mediums of your choice, draw the objects so that the arrangement fills the page.

Drawing Challenge #17

Choose three fruits or vegetables and arrange them on a white page. Using a drawing shield and pencil, do a blind contour drawing of your arrangement.

Drawing Challenge #18

Draw your dominant hand holding something with one continuous black line.

Drawing Challenge #19

Choose three objects from the “box of random things” and arrange them on a white page. Using a pencil, do a continuous line drawing of your arrangement.
